\* ITEM-100: (R-84-1327) ADOPTED AS RESOLUTION R-260207

Awarding a contract to Chilcote, Inc. in the sum of \$43,031, for the construction of miscellaneous drainage facilities on Harbor Drive between Kettner Boulevard and Fifth Avenue; authorizing the expenditure of not to exceed \$17,000 from Capital Outlay Fund 30245, CIP-58-004, Annual Allocation - Miscellaneous Improvements on City Streets, to supplement funds previously authorized by Resolution R-259544, adopted on October 31, 1983. BID-5320

(Centre City Community Area. District-8.)

CITY MANAGER REPORT:

The first bid opening for the project was held on November 22, 1983. No bids were received. The project was readvertised. Two bids were received; the low bid was 43 percent over the City estimate. This is a small, difficult construction project involving known groundwater problems and working in a street carrying heavy traffic. It is staff's opinion that readvertising the project would not produce any substantial saving.

This project will provide miscellaneous drainage facilities on Harbor Drive between Kettner Boulevard and Fifth Avenue to intercept storm water runoff that presently sheets across a portion of Harbor Drive. Check valves will be installed in existing outfall drains to the bay to minimize flooding caused by extreme high tides. In addition, the project will install raised pavement markers for traffic safety.

\* ITEM-101: (R-84-1294) ADOPTED AS RESOLUTION R-260208

Inviting bids for the construction of Wilson -University Avenue Drain - Cherokee Avenue to Wightman Street on Work Order No. 118190; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the expenditure of funds not to exceed \$250,000 from Capital Outlay Fund 30245, CIP-12-051.0, Wilson Street Drain, for said project and related costs; authorizing the Auditor and Comptroller upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. BID-5518

(Mid-City Community Area. District-3.)

**CITY MANAGER REPORT:**

This project provides for the construction of a storm drain system in Wilson Avenue from the north side of University Avenue to the south side of Wightman Street and in University Avenue from Wilson Street to Cherokee Avenue. Improvements consist of 1680 feet of storm drain pipe and associated inlets and cleanouts. This project will eliminate the underdrains that have caused a large amount of public complaints. It will also alleviate excessive street flooding at the intersections of Wilson, 36th, and Cherokee with University Avenue.

\* ITEM-104: (R-84-1340) ADOPTED AS RESOLUTION R-260211

Granting an extension of time to April 6, 1985 to Donald L. Bren Company, subdivider, to complete the improvements required in Bay Terraces East Unit No. 3.

(Located northerly of Carrie Ridge Way and Grove View Road. Bay Terraces Community Area. District-4.)

CITY MANAGER REPORT:

On April 6, 1981, the City entered into an agreement with Donald L. Bren Company for the construction of public improvements for Bay Terraces East Unit No. 3. Approximately twenty percent of the work has been completed. The agreement expired on April 6, 1983. Due to prevailing economic conditions in the housing market, the developer has requested a time extension to April 6, 1985. It is recommended that the time extension be granted since the incomplete improvements are not necessary to serve adjacent developments or the general public.

Two actions relative to Black Mountain Meadows:

(Located northerly of Stargaze Avenue and Barrymore Street.

Penasquitos East Community Area. District-1.)

Subitem-A: (R-84-1278) ADOPTED AS RESOLUTION R-260213

Authorizing the City Manager to release portions of the sureties issued by Insurance Company of the West in the form of Performance Bond No. 390361 so that the same are reduced as follows: 1) For faithful performance, to the sum of \$457,658; 2) For the benefit of the contractor, subcontractor and to persons renting equipment or furnishing labor or materials, to the sum of \$228,829.

Subitem-B: (R-84-1279) ADOPTED AS RESOLUTION R-260214

Granting an extension of time to December 15, 1984 to H.G.H. & E. No. 2, subdivider, to complete the improvements required in Black Mountain Meadows.

CITY MANAGER REPORT:

On December 15, 1980, the City entered into an agreement with H.G.H. & E. No. 2 for the construction of public improvements for Black Mountain Meadows Subdivision. Performance Bond No. 390361 in the amount of \$1,271,272 issued by the Insurance Company of the West was provided by the subdivider. The subdivider has requested a partial release of the surety and an extension of time to December 15, 1984 in which to complete the required improvements. Approximately 85 percent of the work has been completed to the satisfaction of the City Engineer. In accordance with Council Policies 800-11 and 600-21, respectively, it is recommended that the surety be reduced (approximately 64 percent) to \$457,658 and, since the incomplete improvements are not necessary to serve the adjacent development or the general public, that the time extension be granted.

Three actions relative to Linwood Street:  
(Old San Diego Community Area. District-2.)

Subitem-A: (R-84-1420) ADOPTED AS RESOLUTION R-260223

Approving the acceptance by the City Manager of that street easement deed of Creaser and Warwick, Inc., granting to City the permanent easement and right-of-way for public street purposes in Lot 3, Block 546, of Old San Diego Miscellaneous Map-40; dedicating said land as and for a public street, and naming the same Linwood Street.

Subitem-B: (R-84-1421) ADOPTED AS RESOLUTION R-260224

Authorizing the execution of a quitclaim deed, quitclaiming to Creaser and Warwick, Inc., all the City's right, title and interest in a portion of a general utility easement and pedestrian and non-motor vehicle easement.

Subitem-C: (R-84-1425) ADOPTED AS RESOLUTION R-260225

Vacating a portion of Linwood Street adjacent to Parcel 2 of Parcel Map PM- 13116, and Lot 3 of Block 546 of Old San Diego Miscellaneous Map-40 under the procedure for the summary vacation of streets of an excess right-of-way of a street or highway not required for street or highway purposes.

**CITY MANAGER REPORT:**

Linwood Street between Hortensia Street (vacated) and Hayden Way was dedicated by subdivision in 1870. The abutting property owners have petitioned for the closing to facilitate development of their property.

The 12.5-foot closure on the southwesterly side of Linwood Street would reduce the right-of-way to 62.5 feet, but the right-of-way would continue to meet City design standards for a local residential street. The closure is unimproved and contains no public utilities. As a condition of its approval, the Presidio Bluffs Development is required to improve Linwood Street adjacent to the closure. This developer will obtain and bond for an Engineering Permit to construct the necessary public improvements.

Staff has concluded that the subject right-of-way to be vacated is no longer needed for present or prospective public use and can be summarily vacated.

The companion items to this vacation are: 1) The dedication and naming of a portion of right-of-way to provide a standard property-line transition between Linwood Street and Hayden Way; 2) The abandonment of a portion of a general utility easement and a

pedestrian and non-motor-vehicular easement in Hortensia Street that were reserved from a previous closing of that street in 1982. The

utilities within the portion of the general utility easement to be abandoned have been removed at the applicants' expense, and the easement is no longer needed. Staff has reevaluated the pedestrian and non-motor vehicular easement and has concluded that it should be abandoned since it is no longer used by area residents. The City has no fee interest in the easements to be abandoned. This application was processed in accordance with Council Policy 600-15 and has been approved by the Old San Diego Planned District Review Board.

\* ITEM-118: (R-84-1409) ADOPTED AS RESOLUTION R-260226

Vacating Windrose Way adjacent to Lots 1-6, Windrose Court adjacent to Lots 1 and 3, and Willowwood Drive adjacent to Lots 4 and 5, all within High Country West Unit 5 Subdivision, Map-10370, and all within the boundaries of High Country West Unit 5 Resubdivision Map (TM-83-0751), under the procedure for the summary vacation of streets where the portion of street to be vacated consists of a portion of a street or highway that lies within property under one ownership and that does not continue through such ownership or end touching property of another; declaring that this resolution shall not become effective unless and until the final subdivision map for the High Country West Unit 5 Resubdivision has been approved by Council action; in the event that the final map is not approved by December 27, 1986, this resolution shall become void and of no further force or effect; directing the City Engineer to advise the City Clerk of the approval of the aforementioned subdivision map.

(A subdivision map is required. Rancho Bernardo Community Area. District- 1.)

**CITY MANAGER REPORT:**

Windrose Way, Windrose Court, and Willowwood Drive were dedicated by the High Country West Unit 5 Subdivision, a Planned Residential Development (PRD-215), in 1982. The owners of the abutting undeveloped property have petitioned for the closures of the subject streets to resubdivide and develop their property as the High Country West Unit 5 Resubdivision, which deletes the Planned Residential Development. The street improvements required by the High Country West Unit 5 Subdivision, Map-10370, were not constructed; therefore, the subject rights-of-way are unimproved and contain no public utilities. The proposed High Country West Unit 5 Resubdivision dedicates a new interior street system which provides rights-of- way for traffic circulation and access to all properties within the subdivision. The street improvements for the new streets, plus those required as a condition of the subdivision's approval for the existing Turtle-back Road, Maturin Drive, and Bernardo Center Drive, will be bonded for and constructed with the proposed subdivision. Staff has concluded that the rights-of-way to be vacated are no longer needed for present or prospective public use and can be summarily vacated, conditioned upon the approval and recordation of the final map of the High Country West Unit 5 Resubdivision (TM-83-0751). This action was processed in accordance with Council Policy 600-15.

CITY MANAGER REPORT:

On January 11, 1984, Mr. Edward Catano, Executive Director of Friends of Child Find, San Diego, presented a communication to the Public Services and Safety Committee requesting the Council to proclaim May 25, 1984 as Missing Children's Day in San Diego. The item was referred to the Manager to prepare a resolution after substantiating the existence of the organization.

The organization is viable and has applied for non-profit status in order to collect funds and pass them along to Child Find, Inc., a national non-profit organization established for the location of missing children.

The Friends of Child Find, San Diego, are concentrating their efforts on a local drive called Operation Child Keep. Through this effort, money is raised by selling information packets designed to prevent abduction from occurring. This resolution is similar to others being sponsored nationwide in order to bring attention to the problem of illegal child abduction and the plight of those involved.

Redesignating the \$15,000 presently deposited in the Tecolote Canyon Maintenance Fund for use for the development of a Design District Study for Tecolote Canyon; authorizing the expenditure of the \$15,000 for the study to be prepared by the City of San Diego Planning Department.

(Linda Vista and Clairemont Mesa Community Areas.  
Districts-5, 6.)

CITY MANAGER REPORT:

Development of the Tecolote Canyon Natural Park is beginning, and the Tecolote Canyon Task Force has recommended that a design district be established. The Task Force further recommended the use

of the remaining Tecolote Canyon Assessment District funds to pay for the study of the development of this district.

Section 9(c) of Resolution R-210795, adopted on June 6, 1974, designated these funds for the improvement of Tecolote Canyon. To expend these funds for establishing the design district, it is necessary to redesignate the fund for this purpose and authorize the expenditure.

In response to a memo from the Park and Recreation Department asking whether maintenance funds could be used to fund a design district study, the City Attorney provided a legal opinion dated December 5, 1983, which stated, "There appears to be no legal restriction to redesignating the fund for use to fund a development plan. However, any proposal to utilize the money for consultant services will require City Council action."

Further liaison with the City Attorney's office revealed that the opinion would be valid whether the study were done by a consultant or in-house by the Planning Department. The Planning Department was selected to do the study in order to expedite results, based on their estimate that it would require approximately five months to complete such a study, with a cost of approximately \$14,500.

(Mid-City Community Area. District-3.)

CITY MANAGER REPORT:

This project provides sidewalk located concrete tree wells and tree plantings in Adams Avenue. The requested funds are needed to supplement the contingencies set aside for this project. During the construction excavation deep clay soil conditions were encountered, and a construction change order in the estimated amount of \$1,881 was required to install perforated pipe soil drains at all tree

sites. The actual cost of this work is \$2,303, and a second change order in the amount of \$422 is recommended to compensate the contractor for the work done. This request will provide additional project contingency funding to finance the work done and other contingency needs which may arise.

Considering the protests and determining that it would be in the public interest to acquire approximately 76.4 acres of Mission Trails Regional Park for open space park purposes for the San Diego Open Space Park Facilities District No. 1 under Resolution of Intention R-260096, adopted February 13, 1984; authorizing the City Manager to offer to purchase said property; authorizing the expenditure of not to exceed \$950,000 as payment for said property and related costs from Open Space Park Facilities District Bond Fund 79102; authorizing the City Manager to accept the deed to said property without further Council action.

(See City Manager Report CMR-82-188. Navajo Community Area. District-7.)

CITY MANAGER REPORT:

Mission Trails Regional Park is the number two priority on the Council's adopted open space retention list. This 76.4 acre parcel, which is within the boundary of the park and north of Mission Gorge Road, consists of portions of Lots B and C of the partition of Lot 70 of Rancho Mission of San Diego. City Manager Report CMR-82-188, dated May 12, 1982, recommended 250 additional acres of Mission Trails Regional Park for purchase as part of the reprogramming of approximately \$7.7 million in funds then remaining from the second open space bond issuance. On December 6, 1982, Council approved an

acquisition plan, which included this parcel, along with funds to have it appraised. This request is for \$950,000 which would provide funds to purchase this parcel at fair market value plus funds to cover miscellaneous costs such as titles, escrow, time projections, possible litigation, etc.
